# Take Advantage of the

# Difference

Tork provides smart solutions for washroom needs in locations ranging from high-traffic stadiums, to image and everyday washrooms, food prep kitchens and workstations. The broad selection of Tork systems includes quality hand towels, bath tissue and a variety of soaps.

Tork provides a solution for every need. Wherever there is a need for wiping, drying or cleaning, there is a Tork solution that improves hygiene and reduces negative impacts on the environment. That saves time, money and trouble for you. And that adds to your customers' well-being, comfort and peace-of-mind.

# Image Washroom

Tork Intuition II – Combining state-of-the-art automatic roll towel dispensing and upscale design in a single dispenser to deliver the ultimate in innovation and hygiene.

Elegant and upscale washrooms demand systems that deliver premium products and stylish design. Tork offers hygienic, no-touch dispensing solutions that promote customer satisfaction and complement your washroom decor.

Tork Xpress Mini – This system delivers a premium, interfolded towel in a space-saving design.

Tork Bath Tissue – Hygienic, high-capacity, two-roll bath tissue system allows complete roll usage for reduced waste.

Tork Intuition II Recessed – A filler panel allows this dispenser to be retrofitted into existing recessed dispenser cabinets for ADA compliance.

Tork Xpress Portable – Attractive countertop design that dispenses interfolded towels one-at-a-time for improved hygiene.

Tork Intuition II – Automatic, hands-free dispensing that delivers a controlled length of Tork roll toweeling thereby reducing waste and need for refills. Optional trim ring for recess applications is available.

Tork Xpress – A sleek, interfolded towel dispenser with a hygiene shield to protect towel until used.

Tork Twin T-Box – For added safety and convenience, a covered-roll design reduces the risk of contamination.

Found in office buildings, schools, restaurants and other facilities, the conventional, everyday washroom requires hygienic systems that focus on controlled consumption, low maintenance and waste reduction. Tork offers a comprehensive line of attractive and durable dispensers – from one-at-a-time roll towel dispensing to jumbo bath tissue – all specifically designed to address these needs.

Tork Matic II – Easy-to-pull towels are dispensed smoothly every time and a see-through window indicates when it's time to refill.

# Everyday Commercial Washroom

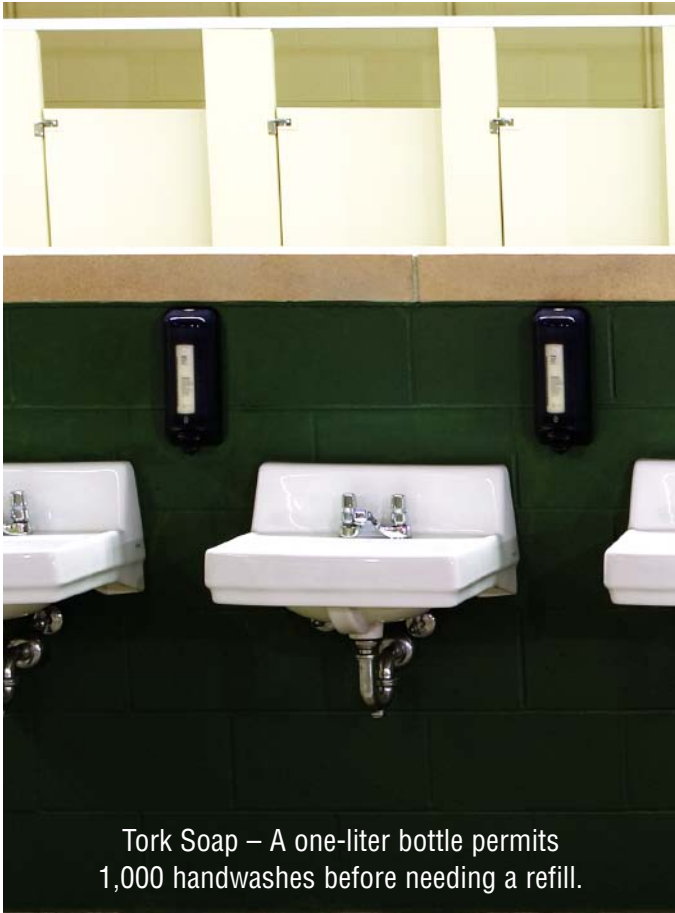

No  
Smoking

Tork Matic II – Dispenses towels quickly to keep traffic moving.  
High-capacity system reduces need for frequent refills.

From factories to sports arenas, industrial and high-traffic washrooms demand high-performing, durable systems with user-friendly features and high-capacity dispensing systems that minimize waste and downtime.

# Industrial & High-Traffic Washroom

Tork Soap – A one-liter bottle permits 1,000 handwashes before needing a refill.

Tork M-Box – The unique "Pro" feature delivers a clean, open towel and offers one-hand dispensing every time.

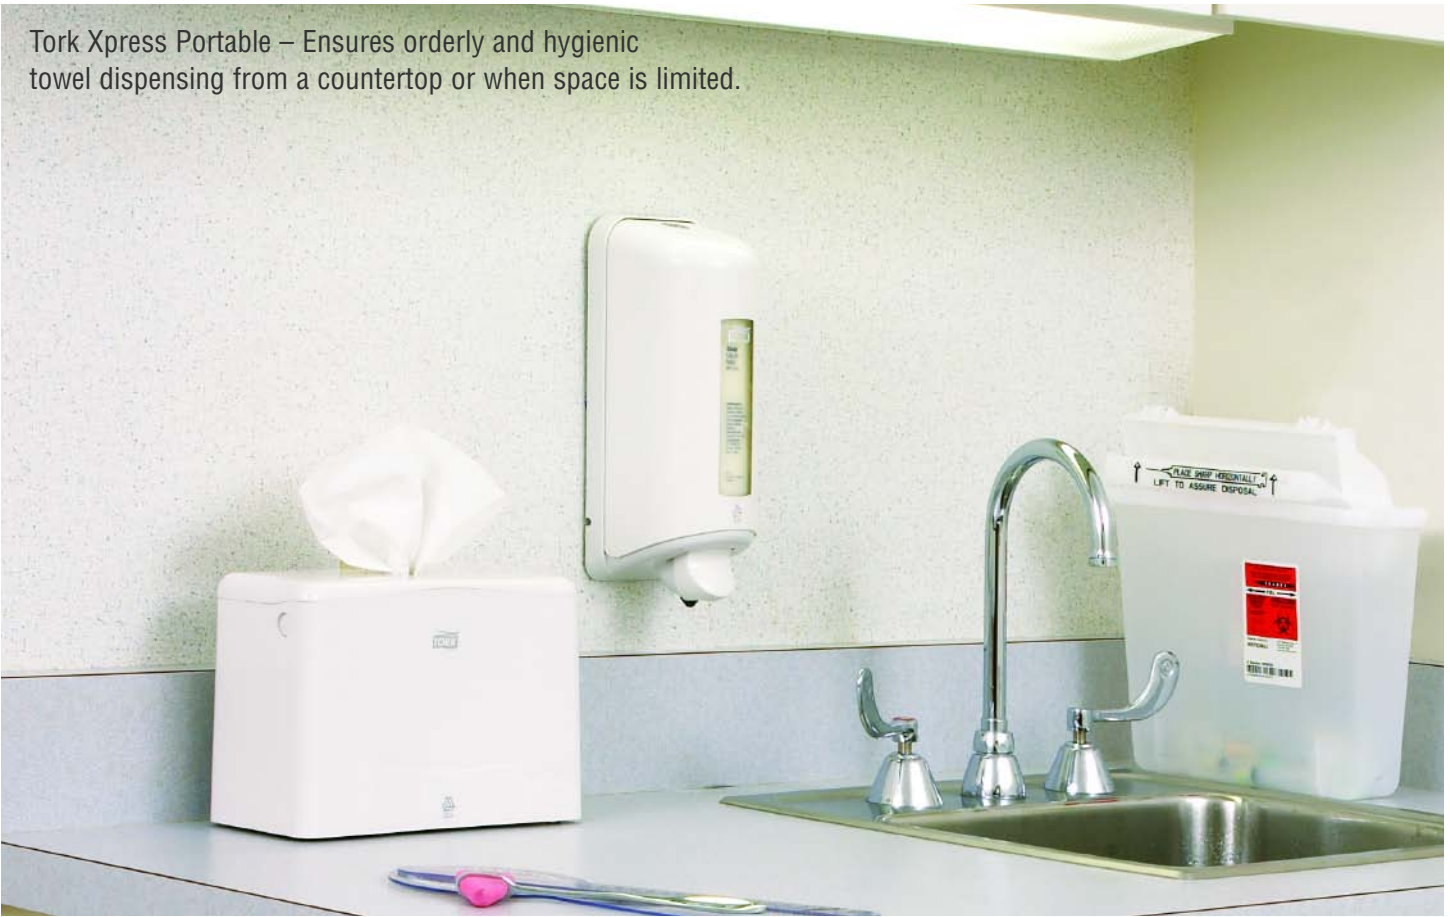

Tork Twin T-Box – This "never-empty" system features one-roll-at-a-time usage eliminating the need for frequent refills.

Dispensing systems and products that promote hygiene, offer convenience and reduce costs are critical in a healthcare environment. From the Tork Xpress Mini that can fit in tight areas typical of clinic workstations to the Tork Soap hands-free dispenser, Tork offers a variety of solutions that reduce the potential for cross-contamination and keep operating costs low.

# Healthcare Workstation

Tork Xpress Portable – Ensures orderly and hygienic towel dispensing from a countertop or when space is limited.

Tork Soap – With an optional arm lever, patrons can use their elbow to dispense soap for optimal hygienic use.

Food preparation areas require systems that reduce the risk of cross-contamination and offer convenient and practical performance. Ranging from one-at-a-time towel dispensing to watertight systems, Tork offers a range of solutions suited to excel in this environment.

Tork Matic II – This hands-free dispenser delivers a clean, fresh towel every time without having to touch a button, crank or lever.

# Food Prep Area

Tork M-Box Pro WT – This watertight system is ideal in wet environments. Towels within the cabinet remain dry, even when the unit is sprayed down for cleaning.

Tork M-Box – Promotes one-hand dispensing and offers a range of absorbent towel options.

# Take Advantage of the **TORK** Difference

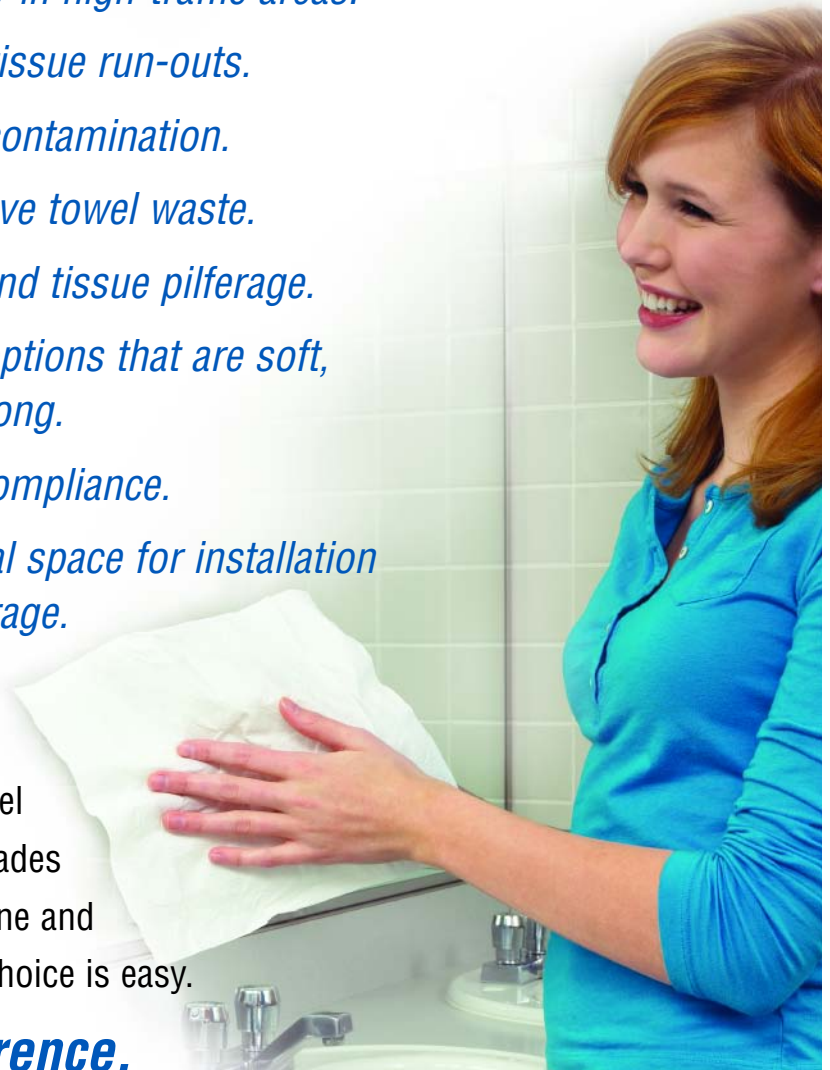

We understand your needs. And at SCA Tissue we know that the washroom or workstation solution you choose is an important decision that can impact customer satisfaction and your bottom line.

Tork is more than a product or dispenser – it is a complete system that addresses all your needs:

- *Presents an upscale image in your washroom.*
- *Reduces the amount of time your maintenance staff spends checking towel dispensers for refills.*
- *Performs reliably in high-traffic areas.*
- *Minimizes bath tissue run-outs.*
- *Reduces cross-contamination.*
- *Reduces excessive towel waste.*
- *Reduces towel and tissue pilferage.*
- *Provides towel options that are soft, yet thick and strong.*
- *Supports ADA compliance.*
- *Requires minimal space for installation and product storage.*

Tork is a system of innovative dispensers and quality tissue, towel and soap products backed by decades of expertise with a focus on hygiene and the environment. That's why the choice is easy.
